ABOUT THE CONGRESS

Written by BZT Academy Congress Team

10th International Istanbul Scientific Research Congress, which will be held online via ZOOM on **JULY 23-25, 2022.** It is open to submission of notifications from Science-Applied Sciences, Health Sciences, Social Sciences, Fine Arts, and all other fields.

You can apply to our congress, which meets the YÖK Interuniversity Board Associate Professorship and Academic Incentive criteria with a minimum foreign participant rate of 55%, by sending your abstract text to **internationalistanbulcongress@gmail.com**

At the end of the congress, a certificate of participation with international validity will be given, and the studies will be published in the full and abstract text book.

The studies of the researchers who request will be evaluated for publication in journals or as an international book chapter.

For more Information:
https://www.internationalistanbulcongress.com/?lang=en

"Since 55 % of our congress participants are foreigners, the number of Turkish participants is limited."

BZT ACADEMY

One of the organizer institution BZT Academy was founded in Turkey in December 2021 to create awareness for academic studies in the world.

BZT Academy Congress & Project Team was established in January 2020, which the organizes international congresses, symposiums and projects.

BZT Academy which has agreements with 132 academicians and 16 universities from 37 countries, is an academic institute based in Turkey.

With the aim of contributing to the increase of cultural interaction by bringing together participants from different countries, BZT Academy aims to develop new approaches to the academic field with its interdisciplinary congresses.

Within a year, we held 16 international academic congresses with participants from 37 different countries.

PARTICIPANT INSTITUTIONS

QATAR UNIVERSITY

Since its inception in 1977, Qatar University (QU) continues to serve as Qatar's primary institution of higher education and has become today a beacon of academic and research excellence in the region.QU is committed to providing high-quality education in areas of national priority. Underpinning this commitment is the goal to align its colleges, programs, and courses with established international standards and best practices. As a result, QU has been successful in its accreditation initiatives, earning the endorsement of numerous leading international accrediting bodies.

TRAKYA UNIVERSITY

Trakya University established on July 20, 1982, is a state university located in Edirne, at Turkey's European part Eastern Thrace. Trakya University is a regional university with institutions and schools spread over the Thrace region. Trakya University Edirne runs scientific activities related to regional development and has international relationships especially within the Balkan Universities Network including more than 40 Universities from Balkan countries and the University Loerrach in Germany. Erhan Tabakoglu was elected and confirmed as new Rector of the university in July 2016

TETOVA UNIVERSITY

The city of Tetovo, where the university is located, is located in the northwest of Macedonia, within the borders of the Polog Region. It is the third largest city in the country after the capital Skopje and Monastery.
Within this state university, there are 11 faculties, 1 institute and 2 institutes that support institutions in the field of health. The university has provided educational opportunities to more than 13,000 students.

KEYNOTE & GUEST SPEAKERS

7 FULL-TEXT SUBMISSION

You can send your full-text **(it is NOT mandatory)** until **JULY 31, 2022** to **internationalistanbulcongress@gmail.com** in Word/Doc format. Please indicate to your phone number you have applied for when submitting the abstract.

8 CONGRESS PROCEEDINGS BOOK

The International Congress Proceedings Book of the congress with ISBN will be published as an e-book on **AUGUST 08, 2022.**

ABSTRACT SUBMISSION PROCESS

1. Please send your abstract to internationalistanbulcongress@gmail.com by JULY 19, 2022.
2. The acceptable word range for the abstract has been determined as 150 - 350 words in terms of compliance with international standards. A letter of acceptance or rejection of your abstract will be sent to you within 3 days after double-blind peer review.
3. General rules for abstract text:
   - Times New Roman
   - 11pt
   - Names, Surnames, Affiliates, E-mail addresses and Telephone numbers of all authors (will not be used in the original text)
   - At least 3 keywords
   - Use the APA method for bibliography. Click here for details.
4. We recommend that you submit an informative summary, including the background of your study, its purpose, methodology, findings and conclusion of your study.
5. Since 51% of our congress participants are foreigners, the quota of Turkish participants is limited. Therefore, we recommend that you submit your application as early as possible.

7. The abstract will be subject to double-blind peer-review within 3 days after it is sent, and the International Scientific Committee of our congress will examine your article. The Conference President will chair the Board and the final decision on the abstracts will be taken.
8. Acceptance or rejection of the article will be sent to you along with the referee comments. If the article needs to be revised, the revised document must be sent back within 3 days.

FULL-TEXT SUBMISSION PROCESS

1. If your abstract is accepted and you pay the congress registration fee, you must send your full text until JULY 31, 2022.
2. All full texts should be sent to internationalistanbulcongress@gmail.com.
3. Submission of high quality articles describing original and unpublished results of conceptual, constructive, experimental and theoretical studies or research in all mentioned fields is accepted. Submitting an article means that it has not been considered for publication elsewhere.
4. The entire article should be submitted as an MS Word document in .doc format (not PDF or .docx format) and should be named with the author's name and abstract title.
5. If the article needs revision after it has been reviewed, you will be sent back with comments and asked to return the corrected article within one week.
6. The submitting author is responsible for ensuring that the publication of the article is approved by all other co-authors and assumes responsibility for the article during peer-review.
7. The publisher will not be held legally responsible for any compensation claim.
